General Notes

On August 5, 2024 (the “**Petition Date**”), SunPower Corporation, *et al.* (“**SunPower**”) and certain wholly owned subsidiaries and affiliates (such subsidiaries and affiliates, collectively, the “**Debtors**”) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”), thereby commencing the instant cases (the “**Chapter 11 Cases**”). The Debtors are authorized to operate their businesses as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On August 7, 2024, the Bankruptcy Court entered an order authorizing the joint administration of these Chapter 11 Cases pursuant to rule 1015(b) of the Federal Rules of Bankruptcy Procedure and rule 1015-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware [D.I. 78]. On August 16, 2024, the Office of the United States Trustee for the District of Delaware (the “**U.S. Trustee**”) appointed an official committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code [D.I. 147].

The following notes and statements, and limitations should be referred to and referenced in connection with any review of the MOR (as defined below).

1. Basis of Presentation. The Debtors are filing their consolidated monthly operating report (the “**MOR**”) solely for purposes of complying with the monthly operating requirements applicable in the Chapter 11 Cases. The MOR is in a format acceptable to the U.S. Trustee. The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future.

This MOR is unaudited and has not been prepared in accordance with accounting principles generally accepted in the United States of America (“**U.S. GAAP**”) and does not include all the information and footnotes required by U.S. GAAP. The MOR is not intended to reconcile to any financial statements otherwise prepared or distributed by the Debtors.

The financial information contained herein is presented per SunPower’s books and records without, among other things, all adjustments or reclassification that may be necessary or typical with respect to consolidating financial statements or in accordance with U.S. GAAP. Because the Debtors’ accounting systems, policies, and practices were developed to produce consolidated financial statements by business unit, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income, or expenses have been recorded on the correct legal entity.

This information has not been subjected to procedures that would typically be applied to financial information presented in accordance with U.S. GAAP or any other recognized financial reporting framework, and upon application of such procedures, the Debtors believe that the financial information could be subject to changes, and these changes could be material.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

For the reasons discussed above, there can be no assurance that the consolidated financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR. The accompanying non-GAAP financial statements have been prepared on a best-effort basis. Due to significant attrition within the debtor's accounting team following the sale of the business on September 30, 2024, there may be limitations in the completeness and accuracy of the financial data presented. The Debtors' Plan became effective on November 14, 2024, and this financial reporting is being prepared as required by the U.S. Trustee (UST). These statements are intended to provide stakeholders with an overview of the financial position and performance, but they may not fully comply with all accounting standards and should be interpreted accordingly.

2. Reporting Period. Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.

3. Consolidated Entity Accounts Payable and Disbursement Systems. Cash is received and disbursed by the Debtors in a manner consistent with the Debtors' historical cash management practices, as described in the *Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate the Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, (D) Continue to Perform Intercompany Transactions, and (II) Granting Related Relief*, filed on the Petition Date [D.I. 4].

4. Accuracy. The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information considering the purposes for which it was prepared. The Debtors and their advisors are not liable for and undertake no responsibility to indicate variations from securities laws herein or for any evaluations of the Debtors based on this financial information or any other information.

5. Payment of Prepetition Claims Pursuant to First Day Orders. On August 6, 2024 the Bankruptcy Court entered orders (the "**First Day Orders**") authorizing, but not directing, the Debtors to pay, on an interim basis, certain prepetition (a) employee wages, salaries, other compensation, reimbursable expenses and payments to continue employee benefit programs; (b) claims of critical vendors; (c) taxes and fees; (e) insurance expenses, associated brokerage fees, and associated premiums; and (f) amounts to maintain and administer existing customer programs and honor certain prepetition obligations related thereto. The Bankruptcy Court subsequently approved the relief requested in connection with the First Day Orders on a final basis. To the extent any payments were made on account of prepetition claims following the commencement of the Chapter 11 Cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the MOR.

6. Reservation of Rights. The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to the Chapter 11 Cases.

7. Specific MOR Disclosures.

Notes to Part 1:

- Cash balances and activities were analyzed and compiled on a weekly basis, as opposed to monthly. As a result, cash activity is shown through the last day of the week nearest to month end. *See* footnote to the Schedule of Receipts and Disbursements for more detail.

Notes to Part 2

- *See* "Basis of Presentation" above regarding certain adjustments or reclassifications applied at a consolidated level.
- Prepetition liabilities reflect liabilities included in Liabilities Subject to Compromise on the Debtors' balance sheets, as well as other liabilities which may be uncompromised pursuant to the relief granted via the Debtors' various final first day orders. Prepetition and post-petition balances of uncompromised liabilities are an estimate given that the Debtors do not have processes in place to close their books and records during the middle of the month.

Notes to Part 3:

- Net amount of total cash sales price for assets sold/transferred outside the ordinary course of business.

Notes to Part 7:

- (a) Pursuant to the relief granted via the Debtors' various final first day orders, the Debtors have made payments on prepetition debts as they come due in the ordinary course. Where applicable, details of these payments have been delivered to the required notice parties pursuant to the reporting requirements contained within the final first day orders.
- (i) As of the period of this report, the Debtors had open questions and diligence on certain of its insurance policies. While coverage was bound, payment was withheld subject to resolution of the Debtors' inquiries. Those inquiries are now resolved, and all premiums have been paid pursuant to terms.
- (j) (k) An initial Plan of Reorganization was filed on Sep 6, 2024, with a further revised and current version filed on Sep 30, 2024, at docket no. 651.
